Re: Consolidated Docket Nos.: 2017-207-E, 2017-305-E, 2017-370-E

Dear Ms. Boyd:

I am writing in support of additional provisions recommended by the Office of Regulatory Staff (ORS) for inclusion in the Dominion Energy South Carolina (DESC) Code of Conduct. The provisions are outlined in the ORS letter of November 5, 2019.

The recommended additional provisions would help to assure South Carolina ratepayers that we will not again have to suffer the very damaging effects of unethical behaviors that we experienced from DESC's predecessor in South Carolina, SCANA. They would assist in protecting ratepayers against additional damaging corporate behaviors that might arise in the future. The recommended provisions provide clear and unambiguous guidance regarding the corporate conduct that South Carolina ratepayers should be able to expect.

I note in particular "ORS Proposed Addendum #6, Waiver Clause." A commitment by DESC to avoiding "the concealment, omission, misrepresentation, or nondisclosure of any material fact or information in any proceeding or filing before the Commission or ORS" is an essential requirement for a meaningful Code of Conduct.

I respectfully ask that the Commission order DESC to adopt all recommended additions in its Code of Conduct to be filed with the Commission.

Sincerely yours,

Lynn S. Teague
